

Copy

Black & White Services:

We have four high speed copiers that produce up to 212 copies per minute! They are capable of providing full collating and stapling on paper sizes ranging from 8.5"x11" to 12"x18". We also have an extensive paper inventory which allows our customers to choose the color, thickness and texture of the stock for their job!

Full-Color Services:

Our full-color services are available on paper sizes ranging from 8.5"x11" to 12"x18". We have reduction and enlargement capabilities, full-color output from both Mac and PC platforms up to 42" wide to almost any length, full-color balance adjusting, single-color options, and can print full-color transparencies, signs and banners!

Wide Format Services (Color and Black & White):

Our wide format printers are capable of printing beautiful photo quality prints. They can print up to 42" wide and 50' long! Wide formats are also used for printing multipurpose banners as well as printing gicl'ee prints on photo quality paper, canvas or other substrates.
