

Fax

Looking to send a fax local or long distance? We offer an affordable faxing service here at Creative Printing. You can send or receive from a local or long distance number. We have cover sheets ready for explaining what is in the fax, even the number of pages. A Blank sheet is also available with minimum information allowing you to write the cover any way you like. We will print a transmission verification sheet confirming the documents were sent correctly.

We can even fax from a digital file!
